Dear Terry and Greg,

Attached please find the final removal assessment report for the GAO 148 vermiculite site in Woodruff, South Carolina. Please note that this emailed version of the report does not include certain elements that are too large to send via email (Appendix G; and Attachments 1 through 3); these items will be included on compact disc within the two hard copies of the report that will be delivered to you (Terry) tomorrow or Monday via Fed Ex. Please call me if you have any questions or comments. Thanks! - John (404-373-8768)
